

# MORAL COMPASS COLLECTIVE

---

## **Moral Compass Candidate Commitment**

This commitment is not a party platform. It is a values-based statement grounded in human dignity, democracy, and ethical leadership. Candidates affiliated with Moral Compass affirm the following principles:

### ***Core Commitment***

I commit to serving my community with integrity, humility, and respect for human dignity. I believe public office is a responsibility, not a privilege, and that leadership must be guided by conscience rather than fear, power, or personal gain.

### ***Democracy & Rule of Law***

I commit to respecting democratic processes, the peaceful transfer of power, and the rule of law. I reject political violence, intimidation, authoritarianism, and corruption, and I will defend the right of all people to participate freely in civic life.

### ***Human Dignity & Human Rights***

I affirm that every person has inherent worth regardless of background or belief. I reject dehumanization in all forms and commit to protecting human rights without exception.

### ***People Over Profits***

I commit to putting the well-being of people above personal, corporate, or political gain. I will act transparently, resist undue influence, and steward public resources ethically.

### ***Truth, Pluralism & Accountability***

I commit to acting in good faith, rejecting deliberate misinformation, respecting differences in belief and political perspective, and remaining accountable to the people I serve.

### ***Affirmation***

I affirm this commitment and agree to uphold these principles in my candidacy and public service.
